Ready Respectful Safe

## NEWS

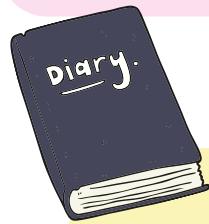

We have had a great week in school. Our Year 5 children really enjoyed their visit to Lion Salt Works on Friday and today they enjoyed a Forest School session with Miss Danielles and Miss Marmion.

This morning we celebrated our stars in our Achievement Assembly, who had all made a huge effort to improve their handwriting. Well done everyone! 🎉

We have lots to look forward to next week, with our Year 6 residential visit to London and NSPCC Number Day on Friday.

We would like all the children to come to school wearing a number based outfit. In the past we have had some quite elaborate outfits, including a pupil who dressed as a calculator! Please don't feel pressure to buy anything new. Children may wear anything that has a number, such as a football kit or simply non-uniform with a birthday badge, or a cap with a number on. Anything goes!

Mrs Campbell will lead a special assembly next Friday and the children will take part in a range of number based, fun activities. We are asking for a donation of £1 per child for the NSPCC.

## DIARY DATES

- Thursday 5<sup>th</sup> February - Friday 6<sup>th</sup> February - Year 6 residential trip to London
- Friday 6<sup>th</sup> February - NSPCC Number Day
- Tuesday 10<sup>th</sup> February - Safer Internet Day
- Wednesday 11<sup>th</sup> February - Year 5 class assembly at 9.15am
- Friday 13<sup>th</sup> February - Break up for half term
- Monday 23<sup>rd</sup> February - Children return to school
- Tuesday 24<sup>th</sup> February - Year 2 residential trip to Tattenhall

**STAY SAFE**

## SAFEGUARDING BEFORE SCHOOL

We understand that as children move into the older year groups, parents begin to give them a little more freedom and allow them to walk to school alone or with friends. This is a great way of preparing the children for high school.

However, we have spoken to a number of children, mainly from Year 5, in recent weeks who are not waiting by the gate as parents might expect. Instead they have been discovered out of sight of the school, playing on the pathway leading down to the bypass. In some cases the children have been running down to the bottom of the steps near the main road.

We have explained to all the children that they have been trusted, by their adults, to walk to school and keep themselves safe. They should not, under any circumstances, run down towards the bypass or touch any litter or objects they might find in the undergrowth.

Please can we ask that parents and carers re-iterate this message to any children who come to school without supervision.

## SPECIAL MENTIONS

### Well done to:

- Ava H from Rec/Year 1 for being the cheeriest little girl each morning and starting every day with a lovely smile and lots of enthusiasm. 😊
- Miya from Year 2 for writing a beautiful story based on the Bog Baby in English. 🎉
- Harvey from Year 3 for rising to challenges and working hard on proof reading his work - he's beating Mrs Campbell at editing! 😊
- Lilah from Year 4 for working very hard on her handwriting. 😊
- Penelope from Year 5 for having a really settled week. It has been lovely to see her happy and smiling in school and really focused in her work. She has worked very hard on speech punctuation in English. 😊
- Freya from Year 6 who has shown resilience and determination in maths this week when learning about algebra. 🤗
- Makiya from Year 6 who also showed determination and was the first to complete the final challenge in the maths lesson. 🎉

## ATTENDANCE

We have reviewed all the children's ideas for celebrating attendance and we have chosen a raffle ticket reward system. Every child who attends each day, on time, for a week will receive a raffle ticket on a Friday morning. 10 tickets will be drawn, and the winners will receive a special prize or treat. We will use the children's ideas for prizes! This will start next week.

**This week our whole school attendance is 98.1%**
