

NEWS

We have had a jam-packed and exciting end to the half term!

Last week, our Year 6 class enjoyed a fantastic trip to London. We began with a special visit to Downing Street with our good friend Mr Cooper, which was the perfect start to the day - everyone was incredibly excited! The children then experienced the London Eye, a theatre trip to see Oliver!, and a fascinating tour of the Tower of London. They were an absolute credit to the school, demonstrating exemplary behaviour and a wonderfully positive attitude throughout. Well done, Year 6 - we are incredibly proud of you all.

On Friday, we celebrated NSPCC Number Day, with children wearing numbers and taking part in a variety of fun, number-themed activities. Thanks to the generosity of our families, we were able to raise over £100 for the NSPCC. A huge thank you to everyone who supported the event.

This week, we also recognised Safer Internet Day and Children's Mental Health Awareness Week. It is vital that we equip children with the knowledge and skills they need to stay safe as they navigate the digital world. Likewise, we have seen a growing need to support children's mental health, and this week has provided important opportunities to talk about wellbeing, kindness, and knowing who to turn to when help is needed.
