

NEWS

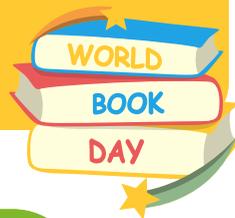

A warm welcome back to the second half of our spring term. We are almost out of February and hopefully heading for some warmer temperatures and much needed brighter days.

Although it is a relatively short half term, it's a very busy one with lots of activities. We have World Book Day, parents's evenings, a number of curriculum enrichment visits, Science Week, One School Many Cultures (Turkey) and some fun Easter activities to look forward to. So please keep an eye our for more information. We will try to keep the dates list up to date too.

This week our Year 2 class all enjoyed their residential visit to Tattenhall. We are incredibly proud of them all for their bravery and determination to complete their adventure activities, and for staying away with school for the first time. We hope you all enjoyed the photos on our social media pages.

On Thursday evening our Year 5 Mini Police Cadets took part in their official attestation ceremony, where they received their uniforms and badges and pledged to do their best to fulfil their roles. Thank you to PCSO Lee Robertson and his colleagues for organising the event. The children can't wait to get stuck into their new jobs!

Next Thursday is World Book Day. We can't wait to see the children's costumes! We are really looking forward to celebrating the day with lots of fun activities.
