## NEWS

We want to say a huge well done to our amazing Year 6 children who completed their final SATs paper yesterday.

Throughout the week they have shown maturity, perseverance, humour and such a positive attitude. We could not have asked for more from them! They have approached each day calmly and with smiles on their faces. They have supported one another brilliantly and represented the school wonderfully.

We are bursting with pride and we know you, their parents will be too!

So now it is time to properly celebrate all they have achieved this year and enjoy the exciting weeks ahead together. They have enjoyed a relaxed day today, and they are now building up to their end of year production which, we are sure, will be fantastic.

Please join us in thanking all the staff who have supported the children in the tests this week, and those who have covered classes. We'd also like to say a huge thank you to Miss Marmion and Miss Rimmer for coming in early each day to cook the children their delicious breakfast, to give them the best start to their day.
