NEWS

A warm welcome back to the last half term of the academic year.

We certainly had a busy week back, with a visit to Crown Farm Quarry for Year 2 and a trip to Northwich for two of our Year 1 children. Our Year 2 class had a fantastic day studying minibeasts and their habitats at Crown Farm Nature Reserve last Thursday. They did us proud with their behaviour and enthusiasm on the day.

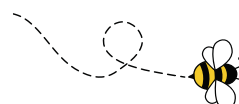

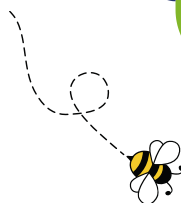

Also on Thursday, Raife and Elodie from Year 1 joined Mrs Guy to represent school in the NEP Bee Project. They, along with Year 1 children from primary schools across Northwich, planted a range of flowering plants to encourage pollination. Each school has their own planter with a plaque showing the school logo. The Leftwich Primary plant box is opposite Macdonald's in Northwich, so please take a look if you're passing. Well done Raife and Adaline, you were absolute superstars!

The last half term is always a busy one, so please keep an eye on the dates list which we will update weekly.
