NEWS

Let's begin by saying how disappointed we were to have to cancel our sports day on Wednesday! But the field was simply too boggy due to the rain we'd had during the previous day and night. We are working on an alternative date next half term, which we'll confirm as soon as we can.

It seems like we have had every season in one week! But a heatwave has arrived just in time for the bank holiday weekend which will hopefully give us all a great start to the half term break.

In assembly today we celebrated our stars of the week for showing what amazing team players they are, and awarded our special mentions as always.

We love hearing about the children's achievements outside school as much as we enjoy celebrating what they do in school, so please let children bring in their awards and medals to share in our Friday assembly. Today we celebrated our newest rugby star, Amina-Lilley who has won Parent's Player of the season in her first year of playing. Well done Amina-Lilley!

Finally, please can we remind parents to ensure ParentPay accounts are in credit before children order lunches. Children will not be allowed to order a school dinner if funds are not available. Thank you.
